Confirmation of Financial Resources

Leahy, Kate (China University of Petroleum - Dual Degree Program, Academic Year, 2018-2019)

The USCIS requires that you file a statement with the University that shows adequate financial support for your education. You must submit the **University of Tulsa Confirmation of Financial Resources - CFR** (click below to download the form) to the CGE. This form needs to be signed by you and your sponsor, and countersigned and sealed by the sponsor's bank. Such seals and signatures must be in original ink, not photocopies. Bank deposit slips or balance statements are not acceptable.

There is only one exception to the use of this form. If you are sponsored by a government or agency, such sponsors must provide an official letter with an original signature clearly indicating that financial support will cover all university costs and personal living expenses. If such sponsorship does not cover all costs, additional evidence of funding for uncovered expenses is required as indicated above. Be certain to check the estimated annual expenses on the form. These figures are subject to change.
