

Program Introduction

Geology is a program that studies material compositions, internal structure and external features of earth, mutual interactions between earths and the history of the evolution of earth. PhD students in Geology should grasp basic theories firmly and comprehensively. They should have systematic and specialized knowledge, broad scientific horizon, academic innovating ability, and be able to undertake scientific research work independently and solve problems relevant to the discipline; to make innovations in science and engineering technology.

Tuition:
36000 RMB/Year

Course start date:
September

Course duration:
Four Years

Geology

Courses you'll take

- Molecular Organic Geochemistry
- Tectonism and Sedimentation in Sedimentary Basin
- Modern Theory of Petroleum Accumulation
- Modern Technology and Method of Instrumental Analysis

Research Areas

- Sedimentology and Paleogeography
- Petrology and Reservoir Geology
- Sequence Stratigraphy and Logging Geology
- Organic Geochemistry
- Regional Structure and Basin Analysis
- Environmental Geology and Geochemistry
- Oil Region Structural Analysis
- Fossil Energy Formation and Enrichment Mechanism

Application Requirements

1. Non-Chinese citizens, in good health:

Applicants should be non-Chinese citizens with a valid passport or verification of a foreign nationality at least 4 years, and with over 2 years living aboard records (9 months in a year living aboard can be considered as 1 year which is subject to the entry & exit stamps) in recent 4 years (before April 30th of every academic year).

2. Education and age requirements:

Those who are to study at doctoral level have a master's degree and be under the age of 40.

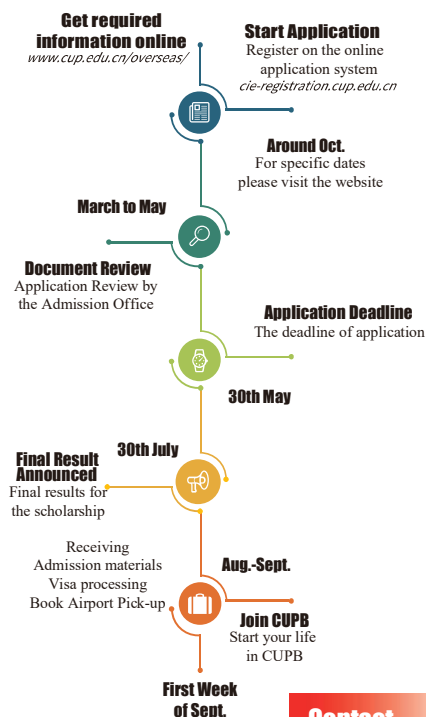

3. Language requirements for graduate program:

- a. HSK5 (with a score of 180) or higher level for those applying for Chinese taught programs.
- b. IELTS 6.5 or TOEFL 80 points or more for non-native speakers of English choosing English taught programs.

1. Certified highest diploma, and transcript with an average of over 70% (should be notarized by related organizations)
2. Copy of Passport home page, and soft copy of your passport photo with white background, photo size 480x720
3. CUPB Application form or CSC form (for applicants who are also applying for the CSC scholarship)
4. Two recommendation letters (Given by at least an associate professor for postgraduate applicants)
5. Study and research plan
6. English or HSK Proficiency Certificates
7. Physical Examination Report (Health Certificate) (laboratory reports must be attached)
8. Non-criminal Record Certificate
9. Acceptance letter from your supervisor (For postgraduate applicants only, mandatory for PhD, advisable for Master)
