

Oil and Gas Field Development Engineering

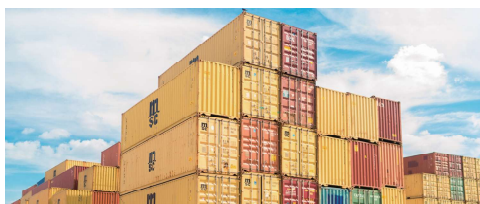

Program Introduction

Oil and Gas Field Development Engineering is a discipline that aims to understand the fundamental properties of oil and gas reservoir and the law of oil and gas flow in porous media, build the effective displacement system to develop the oil and gas field properly and extract the oil and gas to the ground surface economically.

Courses you'll take

- Multiphase Flow Theory
- Theory and Technology of Production Engineering
- Science and Technology of Enhanced Oil and Gas Recovery
- Science & Technology Progress of Oil & Gas Field Development

Research Areas

- Theory and Application of Oil and Gas Flow through Porous Medium
- Oil and Gas Field Development Theory and System Engineering
- Theory and Technology of Oil Production Engineering
- Enhanced Oil Recovery and Oil Production Chemistry

Tuition: 36000 RMB/Year

Course start date: September

Course duration: Four Years

1. Non-Chinese citizens, in good health:

Applicants should be non-Chinese citizens with a valid passport or verification of a foreign nationality at least 4 years, and with over 2 years living aboard records (9 months in a year living aboard can be considered as 1 year which is subject to the entry & exit stamps) in recent 4 years (before April 30th of every academic year).

2. Education and age requirements:

Those who are to study at doctoral level have a master's degree and be under the age of 40.

3. Language requirements for graduate program:

- HSK5 (with a score of 180) or higher level for those applying for Chinese taught programs.
- IELTS 6.5 or TOEFL 80 points or more for non-native speakers of English choosing English taught programs.

Application Requirements

Application Materials

- Certified highest diploma, and transcript with an average of over 70% (should be notarized by related organizations)
- Copy of Passport home page, and soft copy of your passport photo with white background, photo size 480x720
- CUPB Application form or CSC form (for applicants who are also applying for the CSC scholarship)
- Two recommendation letters (Given by at least an associate professor for postgraduate applicants)
- Study and research plan
- English or HSK Proficiency Certificates
- Physical Examination report (Health Certificate) (laboratory reports must be attached)
- Non-criminal record Certificate
- Acceptance letter from your supervisor (For postgraduate applicants only, mandatory for PhD, advisable for Master)
