

Chemical Engineering and Technology

PhD Programs

Program Introduction

You will understand and grasp the knowledge of the fundamentals and specialty of chemical engineering. You will grasp knowledge in relation to Oil & Gas processing and refining, Chemical enhancement of production bio-chemical processing. Students also will develop the ability to independently conduct research and be able to apply the knowledge to solve problems in theory and technology of chemical engineering.

Courses you'll take

Catalytic Chemistry
Separation Process & Technologies
Chemical Reaction Engineering
Colloid and Interface Chemistry

Research Areas

Process Reinforcement and Equipment
Oil Field Chemistry and Engineering
Petroleum and Natural Gas Chemistry
Oil and Gas Processing Technology and Engineering
New Materials and Catalyst Engineering
Biological and Environmental Chemical Engineering

Tuition:
36000 RMB/Year (English taught)
Course start date:
September
Course duration:
Four Years

Required qualifications for applicants

1. Non-Chinese citizens, in good health:

Applicants should be non-Chinese citizens with a valid passport or verification of a foreign nationality at least 4 years, and with over 2 years living abroad records (9 months in a year living abroad can be considered as 1 year which is subject to the entry & exit stamps) in recent 4 years (before April 30th of every academic year).

2. Education and age requirements:

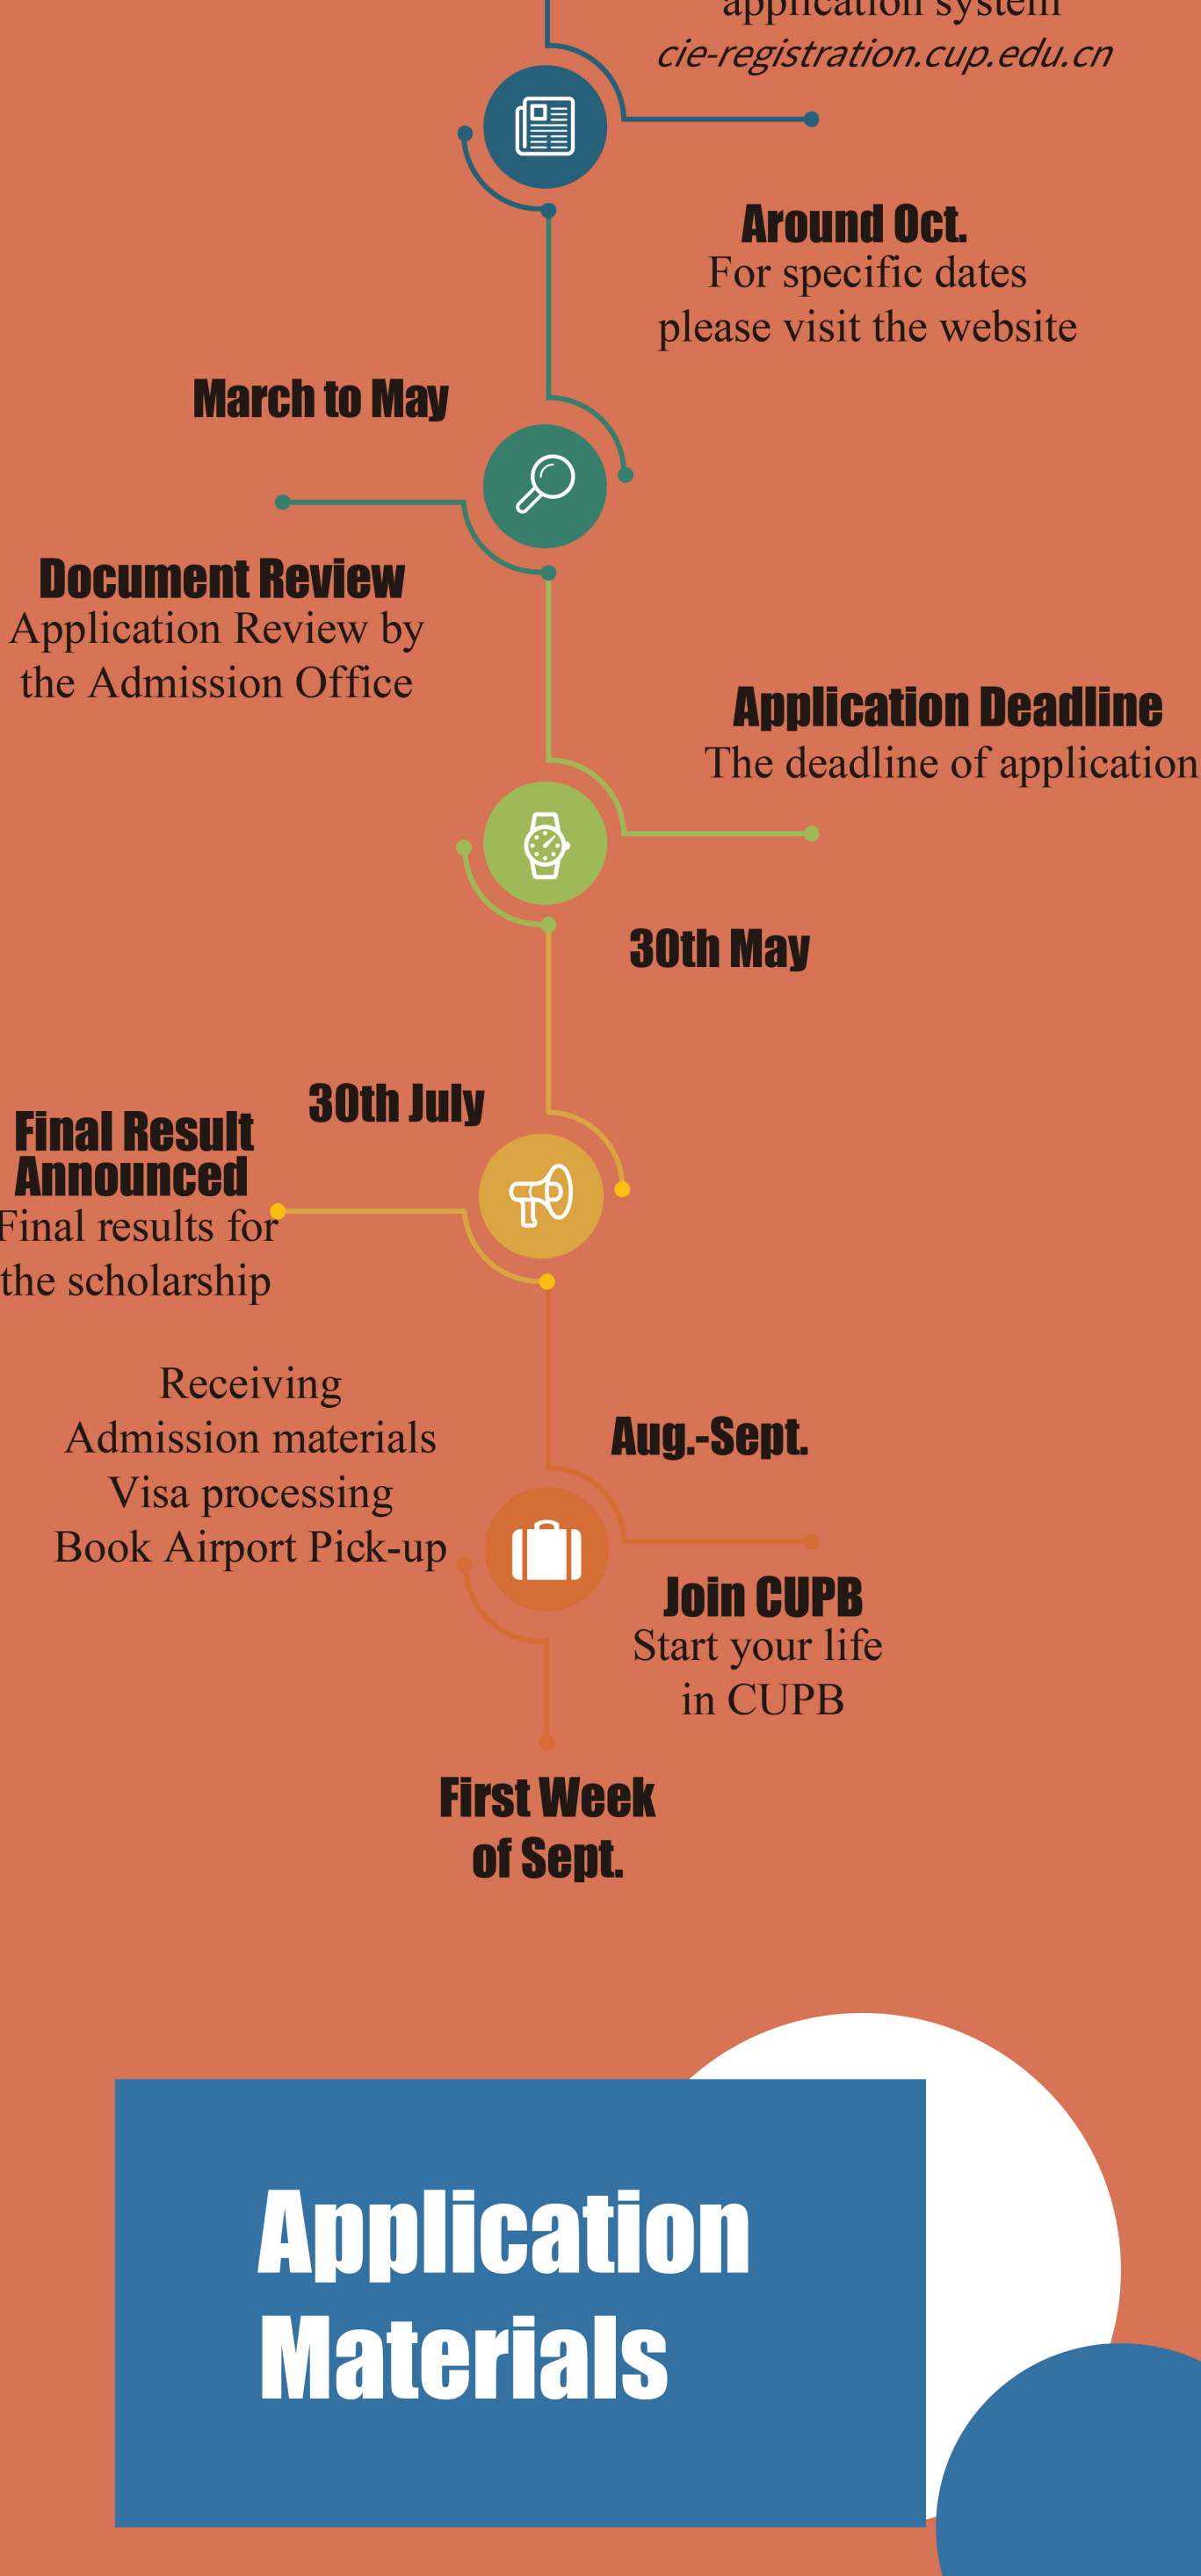

Those who are to study at doctoral level have a master's degree and be under the age of 40.

3. Language requirements for graduate program:

- a. HSK5 (with a score of 180) or higher level for those applying for Chinese taught programs.
- b. IELTS 6.5 or TOEFL 80 points or more for non-native speakers of English choosing English taught programs.

Application Timeline

Important Dates, Deadlines and Application Procedure

Application Materials

1. Certified highest diploma, and transcript with an average of over 70% (should be notarized by related organizations)
 2. Copy of Passport home page, and soft copy of your passport photo with white background, photo size 480x720
 3. CUPB Application form or CSC form (for applicants who are also applying for the CSC scholarship)
 4. Two recommendation letters (Given by at least an associate professor for postgraduate applicants)
 5. Study and research plan
 6. English or HSK Proficiency Certificates
 7. Physical Examination Report (Health Certificate) (laboratory reports must be attached)
 8. Non-criminal Record Certificate
 9. Acceptance letter from your supervisor (For postgraduate applicants only, mandatory for Ph.D, advisable for Master)
- The students who under 18 years old need to find a guardian for their period of study in Beijing before they begin their studies, this person must be a resident of Beijing. They also need to provide the guardian document (should be notarized by the China Embassy in their own country)
