

Petroleum Engineering

What you will learn in this program

Become a petroleum professional with extensive basic theoretical knowledge, solid practical application capabilities, who can engage in engineering design, reservoir engineering design, production and construction, site management, international cooperation, and scientific research in the field of petroleum engineering.

Courses you'll take

- Oil and Gas Development Geology
- Reservoir Engineering
- Drilling Engineering
- Log Interpretation and Production Logging

Research areas

- Oil and Natural Gas Drilling, Developing, and Ocean Engineering

Application Requirements

1. Non-Chinese citizens, in good health

Applicants should be non-Chinese citizens. In the case of former Chinese citizens, they should have proof of having obtained a foreign citizenship for more than 4 years and with a valid passport.

2. Education and age requirements

Those applying for undergraduate study must be high school graduates with excellent grades, and not more than 25 years old.

3. Language requirements

- a. HSK4 (with a score of 222) or higher level for those applying for Chinese taught programs.
- b. IELTS 6.0 or TOEFL 75 points or more for non-native speakers of English choosing English taught programs.

1. Certified highest diploma, and transcript with an average of over 70% (notarized documents)
2. Copy of Passport home page, and soft copy of your passport photo with white background, photo size 480x720
3. CUPB Application form or CSC form (for applicants who are also applying for the CSC scholarship)
4. Study Plan
5. English or HSK Proficiency Certificates (undergraduate students who have studied in English for two or more years during their study experience may also submit official certificate issued by school instead of IELTS or TOEFL scores.)
6. Physical Examination Report (laboratory reports must be attached)

Application Materials

Teaching languages: English, Chinese

Tuition: 25000 RMB/year

Course start date: September

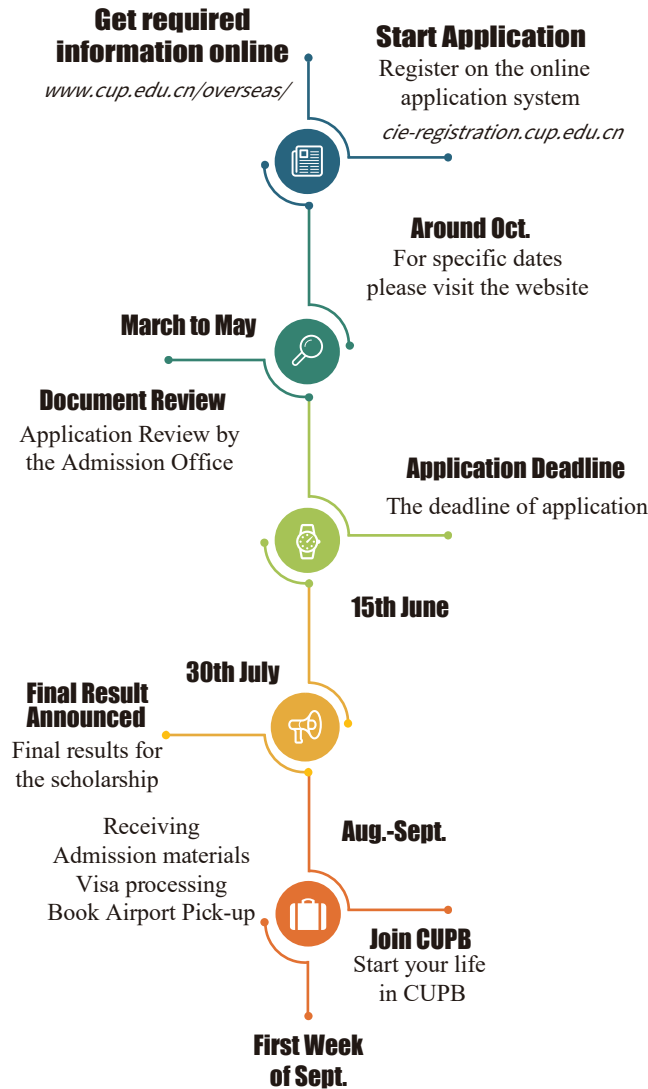

Course duration: Four Years

Worldwide Energy Universities network
“Belt and Road” Petroleum Engineers Institute
“Double First-Rate” University
CSC Recipient Institution

Application Timeline

Important Dates, Deadlines and Application Procedure

900+

International students from 66 countries
